Ficosa taking applications for higher education part-time work program

Posted Thursday, June 2, 2016

Ficosa North America, a global research, development and manufacturing provider for the automotive industry, will be hosting sessions for college students looking for part-time employment and work experience prior to graduation.

The sessions are open to part-time and full-time students enrolled at four-year universities, junior/community colleges, vocational education facilities and online credit achievement programs who are looking for part-time work and onsite job experience while they finish their degrees. Applicants must have a high school diploma or a GED, must be at least 18-years-old and must be authorized to work in the U.S.

The sessions are Thursday, June 2, at 1:30 p.m., and Friday, June 3, at 8 a.m., 10 a.m. and 2 p.m., at Ficosa Cookeville Plant, 2991 Highlands Park Dr. (Call 931-200-8501 for directions.)

Students who wish to enroll in sessions should send resumes to FicosaJobs.Crossville@ficosa.com attention Macey Kendall and include the day and time of the session you would like to attend.

Note that manufacturing equipment is still being installed at the plant, so those coming into the plant should be cautious.
