

FICOSA PRESENTS ITS NEW TECHNOLOGIES ON SAFETY, COMFORT AND COMMUNICATIONS AT THE BARCELONA INTERNATIONAL MOTOR SHOW

We inform you that Ficosa will be present at the Barcelona International Motor Show (7th to 17th of June of 2007), presenting its last technologies on Safety, Comfort, Environment and Communications for the automobile.

During the whole Show we will be at your disposal at the **Ficosa Stand, situated at the Pavilion number 7 of Fira Barcelona**, at the area of Technology and Innovation organized by STA - **Sociedad de Técnicos de Automoción** (in front of the exposition of Rally Cars).

At the Stand there will be an exposition of technology with prototypes and demonstrations of the new Ficosa technologies.

During the 7th of June (press day at the Show), the **R&D Corporate Director, Mr. Vicenç Aguilera**, will be at your disposal at the Ficosa Stand.
